

Jackson Hull

High School Student

I am a sophomore at Palo Alto High School! I have a big passion for aviation, and am in a select couple of extra curriculums matching my interests. I am a C/MSgt (Master Sergeant) in the Civil Air Patrol, and am on the Paly Varsity Congressional Speech and Debate team. I also enjoy playing music and actively participate in three bands at my high school.

Education

In June of 2028

High School Diploma (2028)

Palo Alto High School, Palo Alto, California

Experiences

March 2022 — Present

Civil Air Patrol (U.S. Air Force Auxiliary), Squadron 10 - Palo Alto Airport [KPAO] *Cadet Master Sergeant (C/MSgt)*

- Served as Aerospace Sergeant in local Civil Air Patrol squadron meetings, giving presentations relating to career path options in aviation, or leading STEM activities for ~50 cadets.
- Assisted with practice search and rescue exercises in the Baylands, supporting team coordination and field operations
- Taught drill basics to groups of cadets during squadron meetings, helping improve consistency and confidence in their performance
- Will attend CAP Powered Flight Academy this summer, a great opportunity to get to my first solo flight, with ~40 hrs of ground time, and ~10 hrs of flight time

August 2025 — Present

Speech & Debate - Congressional Debate, Palo Alto High School *Team Member*

- Competed in weekly practices and tournaments, delivering structured speeches, engaging in cross-examination, and adapting arguments under time pressure
- Researched and analyzed legislation to build and defend positions on both sides, refining debate strategy through collaboration with peers

August 2022 — Present

Palo Alto High School Bands, Palo Alto High School

Alto & Baritone Saxophonist

- Began musical training in sixth grade, progressively advancing through school ensembles to current participation in high school Concert, Symphonic, and Jazz bands
- Adapt to multiple musical styles and complex arrangements, enhancing technical proficiency and expressive performance

Service

2023 / 2024 / 2025

Palo Alto Airport Day

- Staffed Palo Alto Airport Day (KPAO) for three consecutive years with Civil Air Patrol, supporting an event serving 5,000+ attendees through flight line operations, aircraft monitoring, and crowd control

2023 / 2024

San Francisco Fleet Week

- Staffed Civil Air Patrol booth at San Francisco Fleet Week, interacting directly with attendees to share aviation knowledge and CAP opportunities while raising approximately \$2,000 per event

Skills

- **Cognitive:** Strong spatial reasoning and visualization, adaptability in dynamic environments, systems thinking
- **Communication:** Public speaking, structured argumentation, and performance under pressure
